Ready for 9 months of

books,
snacks,
essays,
parties,
exams,
friendships,
meetings,
jokes,
seminars
and Pulse?

Well, ready or not, the school year has begun. And it will pass all too quickly, so keep informed on all the events and issues. Join the groups that interest you and make the most of the next nine months.

It's a button age - WEAR ONE! but watch where you wear it - it might get pushed!

M.A.S.H. (Medical Association for the Supervision of Hazing)

To initiate and protect nursing frosh, some Basic III students wearing armbands will be circulating during the first week of school. They will be ensuring fair hazing so if frosh feel they are "hard done by" or are refusing to abide by innocent hazing requests, M.A.S.H. members will take appropriate action.

KOOKIE KALERS for all Basic students will be held on Wednesday, September 16 at 5 p.m. in the lounge. Bring your own suppers and wear old clothes. Fun and surprises in store for all.

There will be an orientation meeting of the Student Health Organization, University of Toronto (SHOUT) on Thursday, Sept. 17 at 1:15 provided a room can be booked. Slides of the health and community centre will be shown followed by a short discussion. Bring your lunches. Watch for more information posted on your bulletin boards and in the lounge.
